

We are a family owned winery, proud to be able to offer amazing quality out of our 15 hectares of vineyards that surround our home in Monforte d'Alba, in the very heart of the Barolo producing area. Our Partners are large, medium and small Importers,

TENUTA ROCCA®

but they are all enthusiast wine lovers and connoisseurs, and we are happy to be working together with them to make our Brand grow for the mutual benefit. We will be looking forward to talking to you and to showing you our vineyards around!
